Championship Positions – Individual Classes

Points are awarded as follows in each class/subclass at each meeting: 20 for 1st place, 17 for 2nd, 15 for 3rd, 14 for 4th,... 1 for 17th. Drivers count the best 3 scores from the 4 meetings.

Production	13-Nov	11-Dec	08-Jan	12-Feb	Total
Alan Lucas	20	17	17	0	54
Ross Grogan	20	13	20	0	53
Pat Skene	17	15	15	0	47
Roddy Morrison	13	20	10	0	43
Richard Wallace	15	14	14	0	43
Neil Grogan	14	11	13	0	38
Steve Smith	12	9	9	0	30
Dave Guild	17	0	12	0	29
Craig Towell	14	12	0	0	26
Linsey Anderson	10	8	6	0	24
Andrew Hogg	13	0	8	0	21
Ewan Duff	11	0	7	0	18
Keith Charles	15	0	0	0	15
David Wallace	0	0	11	0	11
John Rautenbach	0	10	0	0	10
Murray Wallace	0	7	0	0	7

The Production championship is now a straight fight between Alan and Ross. If Ross is 3rd or higher at the last round then Alan must win to hold on to the lead. Third place could go to Pat, Roddy, Richard, Neil or DaveG.

Novice Grade	13-Nov	11-Dec	08-Jan	12-Feb	Total
Steve Smith	17	17	20	0	54
Linsey Anderson	14	15	15	0	44
Craig Towell	20	20	0	0	40
Ewan Duff	15	0	17	0	32
Murray Wallace	0	14	0	0	14

Steve has a big lead in Novice Grade, but watch out for Craig who will count all the points he scores in the last round. Linsey and Ewan also have chances of getting among the prizes (awarded to the top 3 places in this class).

Last year we got 2 Nationals qualifiers in Novice Production. If that is repeated, Steve would be guaranteed to qualify and the other place could go to Linsey, Craig or Ewan.

Falcon Saloon	13-Nov	11-Dec	08-Jan	12-Feb	Total
Richard Wallace	0	20	20	0	40
Ewan Duff	20	0	17	0	37
John Rautenbach	0	17	0	0	17
Murray Wallace	0	15	0	0	15

The Falcon Saloon championship will go to either Richard or Ewan.

Open Saloon	13-Nov	11-Dec	08-Jan	12-Feb	Total
Ross Grogan	20	20	20	0	60
Alan Lucas	14	17	15	0	46
Neil Grogan	17	15	13	0	45
Pat Skene	15	13	17	0	45
Roddy Morrison	8	12	12	0	32
Steve Smith	11	11	9	0	31
Dave Guild	12	0	14	0	26
Linsey Anderson	6	10	8	0	24
Craig Towell	7	14	0	0	21
Andrew Hogg	9	0	10	0	19
Keith Charles	13	0	0	0	13
David Wallace	0	0	11	0	11
Richard Wallace	10	0	0	0	10

Ross has already wrapped up the Open Saloon class with the maximum possible score.

Last year we got 5 Nationals qualifiers in Saloon. If that is repeated, Ross, Alan, Neil and Pat would be guaranteed to qualify and the other place could go to Roddy, Steve, DaveG, Linsey, Craig, Andrew or Keith.

Falcon F1	13-Nov	11-Dec	08-Jan	12-Feb	Total
Richard Wallace	17	20	20	0	57
Roddy Morrison	15	15	15	0	45
Steve Smith	14	13	14	0	41
Craig Towell	20	17	0	0	37
Ewan Duff	12	0	12	0	24
Linsey Anderson	13	10	0	0	23
David Wallace	0	0	17	0	17
John Rautenbach	0	14	0	0	14
Andrew Hogg	0	0	13	0	13
Murray Wallace	0	12	0	0	12
Roy Munro	0	11	0	0	11
John Munro	0	9	0	0	9

Richard is almost guaranteed to win Falcon F1, but Craig could tie with him by winning the last round. However, Richard will win the tie-break if he scores any points at all, because that will give him a discard score whereas Craig will have no discard.

Open F1	13-Nov	11-Dec	08-Jan	12-Feb	Total
Ross Grogan	20	20	17	0	57
Alan Lucas	17	17	20	0	54
Pat Skene	15	15	15	0	45
Neil Grogan	14	14	14	0	42
Dave Guild	12	0	13	0	25
Keith Charles	13	0	0	0	13
Andrew Hogg	11	0	0	0	11

Ross will win the Open F1 championship unless Alan wins the last round. If Alan does win, Ross must come 2nd to tie the championship.

Last year we got 4 Nationals qualifiers in F1. If that is repeated, Ross and Alan would be guaranteed to qualify and the other 2 places could go to Pat, Neil or DaveG.

Low-power Sports	13-Nov	11-Dec	08-Jan	12-Feb	Total
Steve Smith	17	14	15	0	46
Craig Towell	20	20	0	0	40
Linsey Anderson	15	11	14	0	40
Richard Wallace	0	15	20	0	35
Ewan Duff	14	0	13	0	27
John Rautenbach	0	17	0	0	17
David Wallace	0	0	17	0	17
John Munro	0	13	0	0	13
Roy Munro	0	12	0	0	12
Murray Wallace	0	10	0	0	10

Steve is leading Low-power Sports, but watch out for Craig and Richard who will count all the points they score in the last round. Linsey and Ewan could also win the championship, but probably only if Craig and Richard don't race in the last round.

Open Sports	13-Nov	11-Dec	08-Jan	12-Feb	Total
Alan Lucas	17	20	15	0	52
Ross Grogan	20	15	17	0	52
Pat Skene	15	17	20	0	52
Neil Grogan	14	13	14	0	41
Roddy Morrison	13	14	13	0	40
Dave Guild	10	0	12	0	22
Andrew Hogg	9	0	11	0	20
Richard Wallace	12	0	0	0	12
Keith Charles	11	0	0	0	11

The most open championship of them all! It will go to whoever finishes highest at the last round out of Alan, Ross and Pat.

Last year we got 4 Nationals qualifiers in Sports. If that is repeated, Alan, Ross and Pat would be guaranteed to qualify and the other place could go to Neil, Roddy or DaveG.

Championship Positions – Overall

Scores are calculated for each driver by adding together the driver's total in the Production championship, plus his/her best 2 totals from the other 3 classes he/she competed in.

Ross has almost clinched the overall Scottish Championship before the last round, but Alan could still better Ross's current score by 1 point if he wins Production, Open F1 and Open Sports at the last round - a tall order!

There's much more scope for movement further down though. Pat, Richard and Craig all have chances of overtaking Alan for 2nd, and absolutely everyone in the list above still has a chance to get among the prizes that will be awarded to the top 10.

Prizes will also be awarded to the top 2 Juniors, with Linsey and Ewan currently leading the way.
